CAMPS AND CLASSES

The Whole Child  
Learning Company™

## Space Science

**Barnard Elementary**  
**2:15-3:15**  
**Mondays in Auditorium**

**Fall Session: TK -2<sup>nd</sup> grade**  
**09/11-12/11\* 12 classes for \$168**  
**(\*no class 11/13, 11/20)**

Students will love this themed class that explores the mysteries of space. Create chemical rockets and design, build, and test your own air powered flyers modeled after your favorite star fighter. Make a constellation book, simulate walking on the moon, experiment with how craters on the moon were formed and make astronaut food!

**Enroll online**
