~ Abacus Mental Math ~ Brain Training for Focus & Memory

Our **Abacus Mental Math** program is based on scientific research in neurology and psychology study to develop children's brain and intelligence. Abacus mental math trains the most important brain functions and unleash the hidden potential of the children.

Benefits of Abacus Mental Math:

- ✓ **Better Attention** : focus more and longer, make study easier
- ✓ **Strong Thinking** skills and ability: spend less time in homework and save more time for play
- ✓ **Powerful Memory**: memorize materials faster and easier
- ✓ **Increase Response Capacity**
- ✓ **Boost Self-confidence**
- ✓ **Improve Mental Calculation**
