

Dear Business Owner/Manager,

I am writing to you from Barnard Mandarin Magnet Elementary School, located in Pacific Beach, San Diego. As you know, the budgets for San Diego public schools continue to be reduced, leaving our school without the basic resources needed to provide our children with the quality education they deserve. We are lucky to have a dedicated staff, involved parents, and generous community partners who are working together to fill in these gaps.

But we need more.

The Barnard PTA is asking for donations – both monetary and in-kind— from local partners like you to help us meet our goals. These contributions go directly to teaching and educational support at our school, such as placing native-speaking guest teachers in our Mandarin classrooms, online reading aides for students in their homes, field trips and supplemental art programs, and so much more.

In exchange for your contribution, we will promote your business to our vast community in a variety of ways. Attached is an overview of our sponsorship opportunities.

Please feel free to contact me with any questions, or to get started on your exclusive sponsor banner.

Many thanks,

*Whitney Ginter*
