IDEAS FOR THE THEME

If you are *hopeful* then you are full of hope, that means you think something good is going to happen.

Look Inward:

Ask yourself "what makes me feel that something good is to happen?"

Look Outward:

Ask yourself "what is right with the world around me that I would like to talk about or show through my art?"

CREATE

Accepted forms:

- Drawing, painting, mixed media
- Paper collage, printmaking
- Computer generated images and graphics
